FRIENDS OF NORTHERN PRIDE

UK Pride, two years late because of COVID-19 and the pandemic, delivered!

And wasn't it amazing? From the sheer amount of people that came out to be with us, to the number of people on the streets watching the march go by.

From all the performers, artists, creatives and volunteers that made it all happen, to the supporters and sponsors for whom it wouldn't have been possible without.

We promised to 'elevate and celebrate the North East's LGBTQIA+ community. I hope you agree we achieved it!

It wasn't without its challenges and issues leading up to the big weekend. Nor was the festival perfect. As many festivals and large events have experienced in 2022, the landscape post pandemic has changed.

We are incredibly lucky, and grateful, to have some amazing companies that helped us deliver UK Pride 2022. Sometimes what felt like an up hill climb was made ever so easier knowing we had support from our production company, our event team, and many many more.

STE DUNN (he/him)
Director of Northern Pride

We also had some amazing opportunities during 2022 to 'take up space'. From taking over Fenwick, to supporting community groups with safe spaces in Elswick Pool.

We should never take for granted that whilst we are able to deliver one of the biggest free Pride Festivals in the UK, the importance of ensuring representation and visibility remains at the core of what we do... everyday.

That's why when we head into 2023, much of the successes we saw in 2022 will remain. From the inclusion of new community led zones, to the most amount of local LGBTQIA+ people taking to the main stage, and for the community to be front and centre of the city-wide march.

The fight for LGBTQIA+ rights is not over until we are all equal. Join us.

Ste

OUR PROMISE

In 2018, we set out three key principles to ensure we'd deliver for our community, sponsors and supporters.

Since then, we've been able to keep our promise.

Over the next couple of pages you'll get a flavour of what we've been able to achieve and how we've been able to support and have a positive impact on the community during the pandemic.

PROTECT LGBTQIA+ rights already won and champion these whilst supporting the fight to end equality indifference that remain at home and abroad.

PROMOTE a healthy body and mind through access to support and education for the community and our straight allies.

PROVIDE a series of LGBTQIA+ events including our annual festival to bring communities closer together and celebrate our diversity.

Who doesn't love a statistic or two?

Whilst it can show the magnitude of our reach and our community, it can also show us a way forward and how to improve, or how to use these insights to motivate us to be louder as we continue to elevate the North East's LGBTQIA+ community.

Northern Pride comeback gets bigger and better

BARBARA HODGSON

barbara.hodgson@liverpoolpost.com

It's a comeback for Northern Pride, but it's not just a comeback - it's a bigger and better one.

The event, which was postponed for two years due to the Covid-19 pandemic, is now set to take place on Friday and Saturday, June 10 and 11, at the Liverpool Echo Arena.

The event will feature a line-up of headline acts, including the UK's top gay and lesbian artists, and a variety of other entertainment.

The event is expected to attract a large crowd, and it's hoped that it will help to raise the profile of the LGBTQ+ community in the region.

The event is also expected to generate significant revenue for the LGBTQ+ community, which has been hit hard by the pandemic.

The event is a testament to the resilience of the LGBTQ+ community, and it's hoped that it will inspire others to come out and celebrate their identity.

The event is a celebration of the LGBTQ+ community, and it's hoped that it will help to create a more inclusive and welcoming environment for everyone.

The event is a chance for the LGBTQ+ community to come together and celebrate their identity, and it's hoped that it will help to create a more inclusive and welcoming environment for everyone.

Platinum Bar and Garden

TAKEN

Bobbys

Our festival attendees can choose to upgrade their experience by buying a pass into our Platinum Bar and Garden.

Those with this exclusive pass can relax in a marquee with private bar, tables, chairs and posh loos! Pass holders can head outside to the garden area which gives additional viewing with partitioned space in front of the main stage, providing an experience like no other.

Family and Youth Zone

TAKEN

Morgan Sindall

With very little spaces which are deemed safe for LGBTQIA+ families, the Family and Youth Zone is one in which we will endeavour to promote and grow each year.

This zone offers all families and our youth a space where they can feel included and accepted while enjoying arts, crafts, music, sensory play and outdoor activities. This one has something for everyone from babies to teenagers and even something for the adults

Sports Zone

Available

Brought to life in 2022, our sports zone is where we'll be demonstrating and showcasing inclusive and accessible sports from around the region.

Be Scene Zone

TAKEN

Co-op

Be Scene started in 2019 bringing dance and cabaret performances together celebrating artists from our vibrant local community.

Be loud, be proud and Be Scene!

Health and Wellbeing

TAKEN

Loganair

Northern Pride has been one of the pioneering prides to provide health services, with thanks to the legacy of Steve Paske. After many years providing sexual health screening and introducing one hour HIV testing, the Health and Wellbeing Zone has been a key focal point and will continue with your support into 2022.

LGBT+ Northern Social Group Zone

TAKEN

BT Group

A chill-out zone for those who may have needed a comfortable space to decompress and stim. The space remains alcohol-free and perfect for neurodivergent people. There will also be changing facilities available for those that would like to change into their best pride outfit after they've arrived.

Accessibility

TAKEN

Nexus/Metro

Making the Northern Pride Festival as accessible as possible is high on our agenda. Particularly after successfully introducing our wheelchair accessible raised platform in 2018, and then a high dependency unit in 2019. With our return in 2022, we added track matting for wheelchair users, and ear defenders that attendees could rent.

With your help, we aim to create one of the most accessible Pride festivals in the UK.

Rainbow Village

TAKEN

Lumo

Packed with local and national charities and business, the Rainbow Village is a vibrant market place for our attendees to access products and services which they may have otherwise been unable to.

LET PEOPLE
BE THE EXPERT
OF THEMSELVES

The March

TAKEN

NE1

In 2022, over 25,000 people marched in our parade, weaving through the city, down the iconic Northumberland Street and passed the historic Grey's Monument.

The city becomes awash with all the colours of the rainbow. In 2022, the march was lead by the trans community and marched for Trans rights and our campaign of Remember, Resist, Rise Up!

Volunteers

Available

We couldn't do what we do without the help of our volunteers.

They all need to be looked after during the festival and throughout the year. Show your support for the work they do and your company logo will be shown on all volunteer uniforms.

Candlelit Vigil (Sunday Only)

Available

The Northern Pride Festival and our UK Pride celebration comes to a close on Sunday night with the annual Candlelit Vigil.

An important aspect of the Northern Pride Festival, giving those in attendance time for reflection and remembrance.

Live at Pride

Available

After a successful delivery of two virtual events, one featuring a back stage green room, opening up never before seen access to the event. With great reviews, in 2022 we launched Live At Pride.

With over 20k views and 275k impressions of the content across social media platforms, beaming pride into peoples homes and devices brings the festival to those that cant be at the event. Featuring live interviews with artists, performers, creatives, activists and members of the public, your brand can be seen during the event and beyond!

PROUD FRIEND

We appreciate that many companies, local and small businesses would like to support Northern Pride the festival and our out reach work throughout the year, but may not be able to afford a sponsorship package.

The Supporters Package allows the gap to be bridged. As a thank you, each supporter will be given six platinum passes, their name will appear on our website with a click through to their site, and it'll also appear on our Supporters boards at the festival, used for photos and interviews with our acts and activists.

Supporters will also receive 20% off all other Northern Pride fees including advertising and tickets.
